Decathlon Büyükada Half Marathon Consent Form

(Parent/Legal Guardian Consent Form for Participants Under 18 Years of Age)

Please read this consent form carefully before signing. This consent form has legal consequences. It will affect the legal rights of the Participant for whom you are the parent/legal guardian, and will limit or completely eliminate your ability to pursue legal remedies before and after the race.

By signing the section indicated below regarding permission for the participant identified below, who is under the age of 18 and for whom I am the parent/legal guardian (the "**Participant**"), to take part in the Decathlon Büyükada Half Marathon (the "**Organization**"), organized by Bro Event Spor Organizasyonları Tic. Ltd. Şti and Adalar Kültür Derneği on 27 September 2026, and in all activities taking place within the event, I undertake, as parent/legal guardian, that I accept and will be bound by the race registration, liability, and risk acceptance agreement. Herein, on behalf of the Participant, myself, and all of our heirs who may assert a claim on our behalf, I accept and undertake all of the matters set out below of my own free will.

1. Running races are physically and mentally demanding events. Permanent injury, disability, paralysis, or death may result. They may cause permanent material and non-material damage. As parent/legal guardian, I accept and undertake that the Participant's presence at the Organization is safe for the Participant physically and health-wise, and that the Participant has, or will have, sufficient physical and mental fitness to take part in this Organization for which the Participant has earned the right to participate. I acknowledge that there may be vehicle or pedestrian traffic along the race route, and I accept the risks that running and/or all parts of the Organization may bring. I understand and accept that all risks that may arise in this race, including risks that may arise as a result of the Organization's negligent, careless, or reckless conduct, belong to the Participant and to me.

2. I know that it is mandatory for the Participant to comply with the instructions of the Organization, Race Staff members, referees, and volunteers. I know that behaviors that disturb the proper conduct of the Decathlon Büyükada Half Marathon, endanger the safety of participants, harm the environment and public order, or involve rude treatment of any living beings — including people, street animals, and plants — within the boundaries of Büyükada, must not be engaged in by the Participant. I accept and undertake that, should the Participant display such behavior, the Organization team is authorized to ban and/or disqualify the Participant from the Decathlon Büyükada Half Marathon at any time.

3. I agree, as parent/legal guardian, to accept any medical support recommended in the event that the Participant is injured, has an accident, or falls ill before, during, or after the race. Personal health insurance is provided within the scope of the Organization; I permit the Organization's doctors, representative, participants, and officials to access all of the Participant's medical records when medical treatment is necessary. I accept responsibility for, and undertake the obligations arising from, all costs of any care, treatment, ambulance services, inpatient hospital treatment, and medication, products, and services incurred as a result of the Participant's participation in the Organization.

4. The Organization, or third parties authorized by the Organization, will be authorized to capture and use image, sound, and photographs from the event, and to use the Participant's name, image, and voice in any media for any purpose. In addition, the Organization is authorized to share these materials with third parties and to use them without any restriction, including but not limited to radio, television, cinema, and the worldwide internet network. I know that we will have no right to approve such materials. I understand that the Participant's name may not appear as a participant in the event, and I do not expect to derive any financial gain from the Participant's image in any material related to the event. Unless otherwise stated, the Organization allows the Participant to use their own camera to record moving and still images or to produce content, provided that the use of such content is limited to the specific purposes stated on our own website and social media. I understand that the Organization owns the intellectual property and media rights to the event, and I will submit to the Organization any content in our possession upon request. Any commercial use by the Participant, by me, or by any third party is subject to the Organization's permission.

5. I accept and undertake that, should the Organization determine, on the day of the race or beforehand, that conditions are unsafe, it may, at its sole discretion, decide to postpone or cancel the event. I accept that, should the Organization be postponed or cancelled for any reason beyond the Organization's control — including but not limited to natural disasters, acts of terrorism, fire, the threat or occurrence of strikes, labor shortages, war, unavoidable loss of life, or race route conditions — the Organization will not refund the participation fee or any other costs.

6. I understand and accept that the Organization reserves the right to reject or invalidate any participant's application, or to disqualify any person at any time, and that this is at its sole discretion. In the clear and explicit event that the Participant's application is rejected or invalidated, I waive all of our rights to any claim for damages relating to the application fee.

7. As parent/legal guardian, I waive any and all claims for compensation against the Organizer, its employees, workers, volunteers, and referees in the event that the Participant runs the race accompanied by another person who is not registered for the race, or is harmed by a third party within the boundaries of Büyükada before or after the race. Should a person for whose care I am responsible suffer such harm, this waiver is likewise valid for such persons. I accept and undertake that, in the event third parties bring claims against the Organizer, its employees, workers, volunteers, and referees in connection with the stated types of claims, I will indemnify the Organizer, its employees, workers, volunteers, and referees and hold them harmless.

8. I accept that the timing chip included in the race kit is allocated to the Participant for the duration of the race, and that, as parent/legal guardian, I am responsible should the chip be damaged.

9. Participant Kit Collection Authorization: should we wish to have someone else collect the Participant's race kit on the Participant's behalf, both the person collecting the kit and the person authorizing the collection acknowledge that this transaction is carried out with their own consent and that all responsibility belongs to them. As parent/legal guardian, I am obliged to provide, together with the person who will collect the kit, a copy or photograph of that person's identification, as well as a signed statement indicating that I have authorized that person to collect the kit.

10. As this event may be regarded as a sporting activity, I declare and undertake, as parent/legal guardian, that, in accordance with applicable legislation, the Participant is in a state of health suitable for obtaining a certificate of fitness. I accept and undertake that, should this declaration of mine prove untrue, I alone will be personally responsible for any and all adverse consequences that may arise as a result, and that in such a case no responsibility whatsoever may be attributed to the organizer.

11. I accept that the Participant's participation in the Organization here binds us to the conditions set out in the "Büyükada Half Marathon Consent Form," consisting of 9 articles, which I, as parent/legal guardian, received, read, understood, and accepted together with the registration.

I confirm and undertake that the Participant is under eighteen years of age, that I have read this consent form as the Participant's parent/legal guardian, that I understand its contents, and that, by completing the Participant's race registration, I am signing this consent form on the Participant's behalf of my own free will.
