Decathlon Büyükada Half Marathon Consent Form

Please read this agreement carefully before signing. This agreement has legal consequences. It will affect your legal rights, and will limit or completely eliminate your ability to pursue legal remedies before and after the race.

By signing the section indicated below regarding permission for me to participate in the Decathlon Büyükada Half Marathon (the "**Organization**"), organized by Bro Event Spor Organizasyonları Tic. Ltd. Şti and Adalar Kültür Derneği on 27 September 2026, and in all activities taking place within the event, I undertake that I accept and will be bound by the race registration, liability, and risk acceptance agreement. Herein, on behalf of myself and all of my heirs who may assert a claim on my behalf, I accept and undertake all of the matters set out below of my own free will.

1. Running races are physically and mentally demanding events. Permanent injury, disability, paralysis, or death may result. They may cause permanent material and non-material damage. I acknowledge and undertake that being present at the Organization is safe for me physically and health-wise, and that I have, or will have, sufficient physical and mental fitness to take part in this Organization for which I have earned the right to participate. I acknowledge that there may be vehicle or pedestrian traffic along the race route, and I accept the risks that running and/or all parts of the Organization may bring. I understand and accept that all risks that may arise in this race, including risks that may arise as a result of the Organization's negligent, careless, or reckless conduct, are my own.

2. I know that it is mandatory to comply with the instructions of the Organization, Race Staff members, referees, and volunteers. I know that behaviors that disturb the proper conduct of the Decathlon Büyükada Half Marathon, endanger the safety of participants, harm the environment and public order, or involve rude treatment of any living beings — including people, street animals, and plants — within the boundaries of Büyükada, must not be engaged in. I accept and undertake that, should I display such behavior, the Organization team is authorized to ban and/or disqualify me from the Decathlon Büyükada Half Marathon at any time.

3. I agree to accept any medical support recommended in the event of injury, accident, or illness before, during, or after the race. Personal health insurance is provided within the scope of the Organization; I permit the Organization's doctors, representative, participants, and officials to access all my medical records when medical treatment is necessary. I accept responsibility for, and undertake the obligations arising from, all costs of any care, treatment, ambulance services, inpatient hospital treatment, and medication, products, and services incurred as a result of my participation in the Organization.

4. The Organization, or third parties authorized by the Organization, will be authorized to capture and use image, sound, and photographs from the event, and to use my name, image, and voice in any media for any purpose. In addition, the Organization is authorized to share these materials with third parties and to use them without any restriction, including but not limited to radio, television, cinema, and the worldwide internet network. I know that I will have no right to approve such materials. I understand that my name may not appear as a participant in the event, and I do not expect to derive any financial gain from my image in any material related to the event. Unless otherwise stated, the Organization allows me to use my own camera to record moving and still images or to produce content, provided that the use of such content is limited to the specific purposes stated on my own website and social media. I understand that the Organization owns the intellectual property and media rights to the event, and I will submit to the Organization any content in my possession upon request. Any commercial use by me or by any third party is subject to the Organization's permission.

5. I accept and undertake that, should the Organization determine, on the day of the race or beforehand, that conditions are unsafe, it may, at its sole discretion, decide to postpone or cancel the event. I accept that, should the Organization be postponed or cancelled for any reason beyond the Organization's control — including but not limited to natural disasters, acts of terrorism, fire, the threat or occurrence of strikes, labor shortages, war, unavoidable loss of life, or race route conditions — the Organization will not refund the participation fee or any other costs.

6. I understand and accept that the Organization reserves the right to reject or invalidate any participant's application, or to disqualify any person at any time, and that this is at its sole discretion. In the clear and

explicit event that my application is rejected or invalidated, I waive all rights to any claim for damages relating to the application fee.

7. I waive any and all claims for compensation against the Organizer, its employees, workers, volunteers, and referees in the event that a participant runs the race accompanied by another person who is not registered for the race, or is harmed by a third party within the boundaries of Büyükada before or after the race. Should a person for whose care I am responsible suffer such harm, this waiver is likewise valid for such persons. I accept and undertake that, in the event third parties bring claims against the Organizer, its employees, workers, volunteers, and referees in connection with the stated types of claims, I will indemnify the Organizer, its employees, workers, volunteers, and referees and hold them harmless.

8. I accept that the timing chip included in the race kit is allocated to me for the duration of the race, and that I am responsible should the chip be damaged.

9. Participant Kit Collection Authorization: should the participant wish to have someone else collect their race kit on their behalf, both the person collecting the kit and the person authorizing the collection acknowledge that this transaction is carried out with their own consent and that all responsibility belongs to them. The participant is obliged to provide, together with the person who will collect the kit, a copy or photograph of that person's identification, as well as a signed statement indicating that the participant has authorized that person to collect the kit.

10. As this event may be regarded as a sporting activity, I declare and undertake that, in accordance with applicable legislation, I am in a state of health suitable for obtaining a certificate of fitness. I accept and undertake that, should this declaration of mine prove untrue, I alone will be personally responsible for any and all adverse consequences that may arise as a result, and that in such a case no responsibility whatsoever may be attributed to the organizer.

11. I accept that my participation in the Organization here binds me to the conditions set out in the "Büyükada Half Marathon Consent Form," consisting of 9 articles, which I received, read, understood, and accepted together with my registration.
